**FINAL DECISION**

The Administrative Law Judge issued a Proposal for Decision (PFD) dated January 17, 2008. Neither party filed exceptions.

The factual findings in the PFD are in accordance with the preponderance of the evidence and the conclusions of law are supported by reasoned opinion. Those findings and conclusions are adopted with one exception. On page 2 of the PFD, the administrative law judge stated that the December 12, 2007 motion for summary decision was filed by the Petitioner. In fact, the motion was filed by the Respondent. With this correction, the PFD is attached and made part of this final decision.

In addition to the considerations above, it is important that the Petitioner did not file exceptions to the Proposal for Decision. Michigan courts have long recognized that the failure to file exceptions constitutes a waiver of any objections not raised. *Attorney General v. Public Service Comm* 136 Mich App 52 (1984).

**ORDER**

Therefore, it is ORDERED that the refusal to issue an insurance producer's license to the Petitioner is upheld.
